"Elite Business Strategies has proven to be one of our most reliable regular suppliers and service providers... and has delivered the highest quality products with even better customer service. The competitive pricing, dependability and professionalism has shown to be second to none."

- Caretha Brown-Griffin, Director, Office of Small Business Programs, Naval Supply Systems Command Fleet Logistics Center Jacksonville

"The professionalism and stellar services provided by Elite Business Strategies resulted in the successful plan update that was approved by the State of Florida Division of Emergency Management (FDEM) and FEMA. Additionally, their work has been lauded by our municipalities and partner agencies as well for exceeding our already high standards. For these reasons, I am pleased to extend the highest recommendation."

- Bill Johnson, Broward County Director of Emergency Management

"Overall, this New York State Hazard Mitigation Plan Update reflects a thoughtful approach to mitigation planning, especially in light of the disaster challenges that the State has had to contend with over the past several years. The plan demonstrates a strong and high quality effort on the part of the State and its consulting team."

- FEMA letter of approval to Rick Lord, Chief of Mitigation Programs & Agency Preservation Officer, New York State Division of Homeland Security & Emergency Services
